

## Certificate System Makes Exchanging Packs a Breeze!

- ✓ **NO PAPERWORK**
- ✓ **NO PHONE CALLS**
- ✓ **NO PURCHASE ORDERS**
  
- Multiple regeneration certificates are purchased in any quantity and used as payment for the resin pack regeneration service.
- When you send each pack to AmeriWater, enclose a regeneration certificate in the box.
- AmeriWater receives the exhausted pack and certificate (your payment for the service).
- The next business day, a freshly regenerated pack will be shipped to you.

This system eliminates the aggravation of dealing with phone calls, paperwork and purchase orders each time resin packs are exchanged. You won't receive an invoice for freight. ***We Pay for Return Freight To You.*** It's all included with the regeneration certificate! By keeping a few spare packs on hand, you avoid downtime.
